Interdistrict Open Enrollment
Guidelines
2026-2027

The Rootstown Local Board of Education believes that students should, under certain prescribed circumstances, benefit from an interdistrict open enrollment policy. Guidelines for the transfer of students, based upon criteria established by the school's administration and in conjunction with recommendations from officials of the Ohio Department of Education are listed below. These guidelines are intended to be consistent with O.R.C. 3319.98.

1. Any application for an interdistrict transfer must be submitted to the Superintendent's Office of the Rootstown Local School District between **April 1** and not later than **August 1** of this school year. One application must be submitted for each student who requests an interdistrict transfer.
2. No interdistrict transfer will be permitted if the enrollment of the grade level being requested at the receiving building exceeds the following:

<u>Grade</u>	<u>Enrollment</u>
Kindergarten	75
Grade One	75
Grade Two	75
Grade Three	75
Grade Four	75
Grade Five	75
Grade Six	100
Grade Seven	100
Grade Eight	100
Grade Nine	100
Grade Ten	100
Grade Eleven	100
Grade Twelve	100

Special Education

K-5	12
6-12	12

3. Students, once accepted, may be displaced should enrollment exceed the limits stated above prior to the beginning of the school year.

4. Districts are not required to institute any special education programs to serve transfer students. If a student is evaluated for placement in a special education program, representatives of the district of residence must be invited to participate in the placement meeting.
5. All approved transfers are in effect for the current school year only and may be discontinued at the discretion of the administration in subsequent years.
6. Applicants shall be considered on a first-come, first-served basis with an assurance that native students will not be displaced. Participants in previous projects will be given preference.
7. Transportation shall be governed by the state interdistrict open enrollment guidelines. Transportation of students transferred out of their school attendance area at parental request shall be the sole responsibility of their parents/guardians unless the student can be picked up and dropped off at a stop on the receiving schools regular transportation schedule.
8. The Rootstown Local School District will deny enrollment to students who have been expelled or suspended for ten consecutive days in the current term or the immediately preceding term.
9. Students once approved for open enrollment may have their open enrollment status terminated, at any time, if there is excessive tardiness or absences.
10. Superintendents may, by mutual agreement, waive the stated enrollment deadline, up to the first full week of October, should extenuating circumstances exist. Board to be informed of those students at their next regular meeting.
